Specifications:

MULLER (AB). Hydraulic press.

Rated force: 2500 kN.

Maximum distance between table and ram: 865 mm.

Minimum distance between table and ram: 165 mm

Speed: 10m./min

Table dimensions: 1250 (wide) x 1100 (deep).

Die dimension 1240 x 1080

Distance between press table and floor: 895

Cushion: hydraulic

Cushion stroke: 300 mm

Cushion rated force: 1000 kN
