Specifications:

Tekna TK 641 Large Capacity End Milling Machine

Motor 1.5HP

RPM 7200

Weight 195Kgs

Capable of working profile extremities at any angle 45° to 90°

Automatic Cutting Lubrication.

Built in safety devices.

Auto swarf clearance.

High rotation speed for a perfect finish.

Notching machine for aluminium

TEKNA TK 641

Maximum hob diameter: 160 mm

: AA1421213

Speed: 2800 tr/mn

Motor: 1,5 kw

Approximate weight: 195 kg
